EDUCATION REPORT

The Education Committee is currently working on the 2019/2020 Education Plan based on the suggested Survey Topics collected at our Lunch and Learn and CondoSTRENGTH sessions.

Pictures and videos of our last CondoSTRENGTH event, hosted by WCC 356 Royal Oak Gardens, are uploaded to our website and the CondoSTRENGTH.ca website. We had a great turnout and based on feedback the session was beneficial to all condo directors. CondoSTRENGTH is a CCI National Program, For Directors by Directors. Want to host an event, then the CondoSTRENGTH Team would love to organize one with you!

This fall we will be offering the CCI National Introductory course followed by the 200 and 300 level courses, based on enrollment. With the AGM season fast approaching, the CCI courses are a wealth of information to help newly elected and experienced directors alike.

We thank you for attending our education sessions and look forward to seeing you at future events. Bring a friend or two. Together we can make each session an interactive and mutually beneficial experience. 🌟
